About Bill Carruthers

Bill Carruthers is a Certified Psychiatric Rehabilitation Practitioner and Certified Peer Specialist for Mental Health, Addictive Disease and Whole Health who has worked locally and nationally with state and local organizations, behavioral health agencies as a service provider and program designer. As CEO of Recovery on Fire, he has done hundreds of presentations and workshops designed to lend a recovery voice and share the value of lived experience to the recovery transformation of our existing systems.

With ongoing commitment, dedication and engagement it is his firm belief that Recovery on Fire can determine areas for opportunity, furthering empowerment and recovery oriented outcomes and implementing aggressive communication/training platforms to compliment the good work that is already being done to create model recovery for all parties concerned.

QUOTE

"Bill Carruthers is a leader in Georgia's peer community who uses his own lived experience to set recovery ablaze in the hearts of everyone he encounters. He is a powerful speaker, a fierce motivator, and he lives Recovery On Fire with a passion that uplifts and inspires action."

~ Commissioner Judy Fitzgerald, Georgia Department of Behavioral Health and Developmental Disabilities
